I Can't Afford a Place to Live Scholarship Program

Okay, so it's not really a scholarship program. I've got an extra room in my house and I can use the company.

The **Award**: A free room for a semester (in my house).

The **Location**: 14836 Bodley Square. It's a small room in a townhouse in a quiet little neighbourhood in Centreville, approximately 15 minutes from the GMU campus.

The **Requirements**:

- 1) You must be a student (full-time or part-time).
- 2) You must have a full-time or part-time job of some sort. It doesn't matter what, so long as you are working your way through school.

The **Other Information**: Visit <http://hokie.us/scholarship> for more details. The awarding of this scholarship will be based strictly on your employment and class workload along with your answers to a series of five questions. You can answer these questions via snail mail, e-mail, phone, or live interview.

The **Deadline**: Applications are due by Saturday 07 August 2005.
